

HLM/LYC Challenge "Build a Boat & Race It" Entry Form

Race Day August. 8, 2009

Entrants must have boat built to spec's from material list on reverse side

All entrants must wear a USCG approved life jacket.

Racers will start at start buoy and paddle around the turn buoys back to starting buoy.

First across the line is winner

Judges have final say in a close race.

Number of heats will be based on number of entry boats.

Participants must sign below; this will be considered a hold harmless clause against HLM, LYC or Vikings Den or any employee involved in this event.

To involve more children we need volunteer boats for them to race

Yes, you can use my boat for qualified children to race.

Signature of owner _____ Date _____

Material List for Boat

** A Boat Kit is available at HLM for \$35.00, less the fasteners because of choices.*

1 - 1/4" x 4' x 8' sheet of plywood

2 - (two) 2"x4" 8's

1 - standard roll of Duct tape

1 - pound of fasteners (screws/nails/staples/etc.)

No other materials may be used. Paint may be applied as permitted.

Boat may be painted with exception of 2" from bottom chine in either direction, inside or outside.

Boat, Paddles, Seats, Twarts, etc, etc are all made from the material list.

Boats entered in the 2008 competition, may be used for 2009 assuming no changes were made that would disqualify them.

Entries with sponsors should be registered prior to July 30th for printed materials recognizing those sponsors. All others must be entered by Aug 6th for preparation of bracketing schedule.

There is no entry fee but a \$10.00 donation to Laguna Yacht Club (LYC) would be appreciated.
