

LYC Insider 2018

April Newsletter

Well, March certainly came in like a Lion
but will it good out like a LAMB is the
question.

What crazy weather we have been happen lately.
Not sure about you but I can not wait until boating
season begins. It's been a long winter and now its time
to start thinking and planning ahead. The current
Bridge officers are looking for new members willing
to work with them side by side this coming year to
be able to then take the reins in 2019. Please
keep in mind that some of the officers have been
sitting on the Bridge for several summers. It is
time to pass the torch....

As we enter in 2018, a slight increase in LYC
General Resident Membership has been made. In
addition, LYC members will no longer receive a
discount on fuel purchases at HLM marina and on
food purchases at the Viking's Den. The Bridge
realizes this may be a contributing factor in your
decision to renew your dues. Please know, Laguna
Yacht Club is one of the most cost-effective
(economical) I-LYA Yacht Clubs on Lake Erie.
LYC still plans to organize cruises, social events,
and parties as in the past. We would like to see all
our members renew and embark on a great 2018
boating season.

Don't forget to mark your calendars for Huron
Lagoons Marina's Open House on Saturday, April
14th. Stop in Viking's Den to see Vince around
1:00 for your membership cards. For those
unavailable to make the open house, your
membership cards will be in the mail.
