AUGUST 2018

“Marina Jargon”

The Winter Storage Agreement & 2019 Summer Dockage Agreement will be mailed on August 13th.

Don't lose your slip for 2019; send in a \$100.00 deposit along with the completed Dockage Agreement before the deposit deadline date of September 10, 2018! Don't forget to fill in email address (highly used for last minute information).

Last year's Inside Winter Storage customers:

we need a commitment by **August 20th** that you are returning. Send an email to: sales@holidayharbor.com with last name and boat description or call the office 419-433-2140 We will require a signed winter storage agreement by September 10, 2018, in order to reserve your spot, otherwise your spot will be released to the waiting list.

Notice to all winter storage customers. Due to EPA Permit Requirements, boat bottom power washing will no longer be permitted in the parking lot area of the marina, therefore all boats winter storing at HHM will require bottom washing at time of haul out.

For every NEW customer, you refer to HHM for 2019 summer dockage, or winter storage between now and March 31st, you will receive a 10% store credit in the amount of the summer dockage and or winter storage fee (not including labor, materials or taxes) that they pay when they have paid in full. Make sure the new customer fills out the referral section of the dockage or winter storage agreement so that you receive the referral credit. If you are a service customer only and never docked or winter stored at HHM, but would like to, you can refer yourself! Referrals made between April and August are flat rated depending on dock size.

The marina Dock Holders party will be Saturday August 18th. Only HHM slip holders, ramp and park customers and your limited guests are invited. **EVERYONE BRING A COVERED DISH.** There will be an appetizer table by the beer wagon which we will tap at 5:00 pm.

Over the summer we trucked in more stone and added new floating docks and jet ski docks to meet the demand. Thanks to every one of you for your support as we continue to reinvest in the marina facilities making improvements where and when we can as part of our never-ending quest to serve you better and assure you that boating is one of the most enjoyable times of your life.

We are saddened to announce the unfortunate passing of Jim Bonsel who was a long time customer of both HHM & HLM.

Our thoughts and prayers go to his family and friends.

“Notes from the Service Desk”

Lift & Wash Special

Now through the end of August we will lift and wash your boat bottom for \$4.00 per ft.

Algae growth on the boat bottom can cause unneeded fuel consumption due to drag and resistance to the water across the surface of the boat bottom when cruising. The algae build up can also affect the boat performance when trying to get on plane.

Trailer Owners

HLM will be offering a trailer service special for the month of August. Inspect trailer tires, check air pressure, check lights and grease wheel bearings (must have bearing buddies) for \$89 single axle and \$99 tandem axle plus material.

NOTE: Any additional work required will be billed time and material
